

What a difference a week can make. We've seen changes within our State Government and now we are waiting for Monday when there will be changes and an opening up from lock-down. I believe hairdressers will be run off their feet and people will once again feel happy with their appearance. Masks are another thing we won't be wearing as much. It has been difficult at times to recognise people when they are wearing masks. Masks come in different shapes, sizes and designs. Some have been quite colourful and match outfits, But all have had their place in the fight against the Covid-19 virus.

We all tend to wear masks of one kind or another and sometimes it is to hide how we are feeling, or because we are afraid of being vulnerable, or of being judged. As we look at the Bible, God invites us to take off our masks and to be the people God wants us to be. Jesus is the Light of the World and calls us also to be lights, not to hide our lights behind masks but to shine for Him wherever we go.

I pray that as we remove the masks that hinder the light of Christ, we will be given courage to stand firm and be the person God meant us to be.

Now, may the grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Spirit be with us all, now and evermore. Amen.

Love and prayers,

I trust you will enjoy this song, you may know other verses as well.

This little light of mine, I'm gonna let it shine.  
This little light of mine, I'm gonna let it shine.  
This little light of mine, I'm gonna let it shine.  
Let it shine, let it shine, let it shine.

Everywhere I go, I'm gonna let it shine.  
Everywhere I go, I'm gonna let it shine.  
Everywhere I go, I'm gonna let it shine.  
Let it shine, let it shine, let it shine.

All in my room, I'm gonna let it shine.  
All in my room, I'm gonna let it shine.  
All in my room, I'm gonna let it shine.  
Let it shine, let it shine, let it shine.

This little light of mine, I'm gonna let it shine.  
This little light of mine, I'm gonna let it shine.  
This little light of mine, I'm gonna let it shine.  
Let it shine, let it shine, let it shine.
